I think the attached reflects all of the input I've gotten over the past few days. Will probably just leave the Associate Reviewer roster "TBD" for now - will leave it to Patty and Molly to make sure the right mix of expertise is captured in that sub-group.

I have spoken with Palmer from OWOW to let him know that Erik will be coordinating the withdrawal team. He will be inviting Erik to Tuesday's staff call.

Hi David-

Attached are additions to the NEPA team and I added permit oversight since those efforts will be coordinated as well.

As discussed earlier today. Welcome any suggested additions/subtractions. Would like to send this (or something like it) out to the broader team in the next week or so.
